Here you go...

Note that was the version with the handful of incorrect screening levels in Table 2a/2b.

Let me know if you need anything else

Tom

Sure; do you still have the native files from the OU6 PP, Tom?

Hi Lynn – Is it possible to obtain the executable version of the OU-6 Proposed Plan? If so, can you please request Tom to email the file to me? We would like to be able to use the graphics from the document for the OU-10 Proposed Plan. They will not transfer correctly from the .pdf version.

Thanks, Chris
